A. INTRODUCTION

1. *The International Rescue committee*

International Rescue Committee (IRC) gGmbH stands by people affected by war and crises to ensure their survival and the reconstruction of their existence. Since its founding in 1933 at the suggestion of Albert Einstein, the organization has been providing life-saving aid, especially for refugees. Today, we support around 23 million people a year in more than 40 countries around the world. We play a leading role in developing new, proven effective approaches to promote the protection and self-determination of vulnerable people. IRC is one of the largest aid organizations internationally with a focus on fragile contexts. Since 2016, we have also been active with two offices in Germany. Here, we engage in strategic dialogue with other actors in humanitarian aid and development cooperation, acquire funding, and influence political processes in favor of those affected by displacement.

2. *The Purpose of this Request for Proposal (RFP)*

It is the intent of this RFP to secure competitive proposals to select Supplier(s) for the International Rescue committee Deutschland gGmbH (office located in Berlin) to supply to work with a media partner who specializes in Direct Response Television (DRTV) but could also support on other channels such as Connected TV (CTV), Out Of Home (OOH), Press Adverts, Radio, Door Drops or Inserts in the future as we look to grow. We are looking for a partner that can develop a media buying strategy that IRC is provisionally looking to spend EUR 200,000 to 500,000 per year over the next 2 years (with the possibility to extend for a further year), with an aim to deliver regular donors (people who pay on a regular monthly basis) each year. We are looking for a partner that can provide strategic input, buy media and provide expert insight and analysis of performance.

This includes developing DRTV media strategy, planning, buying, reporting and analysis for our supporter acquisition program. The selected agency partner will be responsible for managing all aspects of the IRC's paid DRTV media initiatives to support our fundraising KPIs and budget targets.

DRTV Media Management

- Present strategy briefs to include comprehensive media plans and partner/channel mix recommendations to support DRTV fundraising campaigns.

Budget Modeling & Forecasting

- Develop expense budget and revenue forecasts to assess media performance and overall program health related to bought media. Support regular reforecasting initiatives to reconcile budget to actual performance and advise on any strategic pivots needed.
- Create income and expense models (projections) that serve as overall expectations for the DRTV media program in order to help the IRC make decisions on levels of future investment.

Test and Learn Plans

- Initiate testing strategies to help drive improved cost per acquisition, optimise media efficiencies, increase average gift value, and maximize revenue.
- Analyze tests including ad creative, time of day, station mix etc. to ensure they are tracking with budget and KPI's set in annualized plan.

Reporting & Continuous Improvement

- Provide monthly reports to monitor KPIs and track pacing to goals.
- Present end of campaign reviews (where appropriate) to evaluate performance and align on strategic recommendations to optimise media programs and strategy.
- Use appropriate technology to help understand the results that have been driven.
- Provide ongoing result reports to use in evaluating the effectiveness of the program.
- Advise on audience trends within the industry.

Project Management

- Present campaign briefs to include audience strategies, media plans, creative specs and requirements, and timeline to support DRTV campaigns.

Meetings and Approvals

- Monthly status meeting with the IRC to review campaigns and discuss upcoming projects.
- Ad-hoc meetings with IRC to develop and review plans as needed.

G. ETHICAL OPERATING STANDARDS

1. Compliance to the IRC Way

The IRC Way: Standards for Professional Conduct (“The IRC Way”), the IRC’s code of conduct, which can be found at: <https://www.rescue.org/page/our-code-conduct> and IRC’s combating Trafficking in Persons Policy, which can be found at: <https://rescue.app.box.com/s/h6dv915b72o1mapxg3vczbqxjtboyel>. The IRC Way provides three (3) core values - Integrity, Service, and Accountability – and twenty-two (22) specific undertakings.

The IRC Way provides, inter alia, that IRC does “not engage in theft, corrupt practices, nepotism, bribery, or trade in illicit substances.” IRC’s procurement systems and policies are designed to maximize transparency and minimize the risk of corruption in IRC’s operations.

IRC requests that a supplier

- (i) informs IRC upon becoming aware that the integrity of IRC’s business has been compromised during the RFP process, and
- (ii) Reports such events through IRC’s confidential hotline, Ethics point, which can be accessed at www.ethicspoint.com or via toll-free (866) 654-6461 in the U.S., or collect (503) 352-8177 outside the U.S.

2. Bidder Non-Collusion Statement

IRC prohibits collusion and will disqualify all bids where collusion is detected. Collusion happens when related parties submit separate bids for the same tender. Collusion includes situations where:

- a) Members of the same family submit separate bids for the same tender
- b) Separate companies owned by the same person submit separate bids for the same tender
- c) Employees of a bidding company submitting separate bids through companies they own for the same tender
- d) Partners in a bidder submitting separate bids under their own names/ companies they own for the same tender

It is collusion for a person to be involved in more than companies/ businesses submitting a bid to the same tender. Collusion will lead to IRC disqualifying the involved Individuals or companies from that tender as well as disqualify them from submitting bids for future tenders. In addition, IRC may share information relating to this collusion with other international aid organizations operating in the region leading to loss of business opportunities for the colluders.
